

2023 Tribeta SCRC – Important Planning Information

Plan to bring the following to the regional convention:

- Twin sized bedding (sheets) or sleeping bag for the lodges
- Pillow(s) and blanket(s)
- Towels (including hand towels – there aren't any towels in the bathrooms)
- Hand soap and body soap/shampoo/conditioner
- All other toiletries and ANYTHING you might need (but there is a Walmart about 7 minutes away if you forget something)
- Jackets and sweats, or shorts and tshirts – be prepared for the abrupt changes in Texas weather.
- Umbrella (it looks like it may be a rainy weekend!)
- Shower shoes (if you are squeamish, but the facility is clean)
- A refillable water bottle
- Chargers
- USB drive with your presentation (if you are an oral presenter)
- Poster (if you are a poster presenter)

Dress Code:

Casual! When presenting, you should dress professionally but you may change afterward. Wear comfortable shoes as you may want to explore the facilities. There is a banquet and an award ceremony Saturday night where you can feel free to dress “to the nines” or keep it casual.

Location of the Convention:

Mt Lebanon Camp and Conference Center, 1701 Texas Plume Rd, Cedar Hill, TX 75104

Lodging Arrangements:

All lodging information will be given to you upon checking in at the DBU house when you arrive.
